

British Summer!

Parents 1st ferry ride- celebrating end of year marking & Father's Day.

Mobile pix -an office with a view -the new flats for some of the Bulstrode residents.

☺ *HELLO from the Los in Gerrards Cross, UK!*

Thanks to our home church in Philly, we were able to share a short update video in April. Since then, the British summer has begun. June and July may be the only summer months but have been incredible to see sunlight from 4am-9pm!

☺ Here are some highlights within these past few months:

☺ Jenny "Finishing the preparation for Indonesia and Turkey has been a real relief. Now, on to Mexico! I will also have to make some reasonable goals up to the maternity time. Being able to live and work on site (office view pictured above), has been a real blessing making thus far, a smooth pregnancy. I hope to contribute wholly to our project till the end but do not know how the baby will change everything. I am encouraged to have an understanding team that is eager to welcome an OW baby on site. (We won't name the baby "OW" though!)

☺ Had our last ultrasound scan indicating the baby is a boy! Please keep praying for a healthy and easy pregnancy. We celebrated our 1st Mother's Day & Father's Day (left picture above).

☺ Abe "After 4 weeks straight of writing Year 12, Tutor, Year 9 and Year 10 reports, my life is finally settling down a bit... We've been thinking about where are home really is. We think of the UK as being our home, and we have grown quite comfortable with our life here. However, what the future holds for us, we don't know."  OW Team led prayer times Global Day of Prayer in High Wycombe, discussed post book items, visited a missions ship (pictured below), and previewed cover designs for the new edition of the book...

 OW Book Status: 61 countries are left first drafts to be written and edited. Our goal is to finish all 236 drafts with edits and feedback by this Dec 2009. Pray for focus, increased wisdom and spiritual insight for remaining countries that include: China, Nigeria, India, Sri Lanka...

Answers to Prayer!

1. Being in the 5th month, we are more than half way through pregnancy...then the ready real fun begins! Thanks to the Father for protection thus far. Please pray for continued favor and salvation for the Baby.
2. We are thankful to have a local church- Crown Church. Relationships are deepening and challenged to be look outwards.
3. We don't take our marriage for granted. We are daily learning from each other and even more, from Him who brought us together. We are learning that we always have more to learn!

Challenges for Prayer

1. We will be moving rooms at the Bulstrode HQ due to redevelopment-don't know when or where. We are really thankful to be here. Please pray for suitable accommodations for us and for the Baby.
2. Abe to balance out his 7 courses PLUS pastoral care and writing university references for the students in their last year of high school- all before the Baby arrives.
3. Please pray that Abe's skin condition heals quickly.
4. To sow generously in our respective education & OW harvest fields. 2 Cor 9:6-15.

Calendar

05 July 09

Jenny shares at Crown Church prayer points for International Day

12 July 09

Team outing with the 7 members. Very excited for a British long walk!

17 July 09
